ROBERT D. LOOMIS, EDITOR

May 7, 1964

Mr. John A. McCone
The Director of Central Intelligence
Washington 25, D.C.

Dear Mr. McCone:

Thanks for your letter of May 5th. It was my recollection that Tom Ross and David Wise had met with you to discuss the book they were working on about the American intelligence agencies.

I do look forward to hearing from you again regarding some of the things we discussed by telephone.

Sincerely,

Robert D. Loomis
